Hi David,

I forwarded the original email from Anita Pease that was sent on November 4<sup>th</sup> with both the PDF and the PowerPoint versions of the training to your personal email account. Hopefully the files reach you ok. If you have any trouble with the files, please let me know and we will figure out another way to get them to you.

Happy Thanksgiving!

Thanks,  
Melissa

Thanks so much for the pdf of this training. I never received the PowerPoint version, probably due to as you suggest the size issues. If you can resend it to my personal email account at [REDACTED] I should be able to get it and download it here at work.

Again, thank you and I hope you a wonderful Thanksgiving...David
